Sir:

The following statement is provided to meet the requirements of 37 C.F.R. § 1.821(e).

I hereby state that the computer readable form of the Sequence Listing in the present application, i.e., Continuation of U.S. Appln. No. 08/249,189, is identical to that filed in Parent Application No. 08/249,189, filed May 24, 1994.

Further, in accordance with 37 C.F.R. § 1.821(e), please use the computer readable form of the Sequence Listing filed May 24, 1994, in the Parent Application as the computer readable form for the present application.

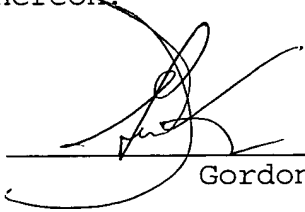

STATEMENT IN SUPPORT OF
SUBMISSION IN ACCORDANCE
WITH 37 C.F.R. § 1.821(e)
CONT. of USSN 08/249,189

It is understood that the U.S. Patent and Trademark Office will make the necessary changes in the application number and filing date for the computer readable form that will be used for the present application. Hence, a paper copy of the Sequence Listing filed in Parent Application No. 08/249,189 is submitted herewith for incorporation into the present specification.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge and that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of this application or any patent issuing thereon.
